### **365 times - NO FEAR**

Dear friends, I want you to know one thing:

God is real!

He is more real than we can understand with our intellect.

God may be invisible to the natural eyes but yet visible and real to the eyes of the heart.

God loves you, and not only wants to bless your life, he wishes to be more closely as perhaps no one ever was for you.

Jesus said that in life we would have had difficulties, he never said the opposite as many claim, saying: "Believe in Jesus and everything will be beautiful, big and blessed! Jesus said in the world you have tribulation, but remember, I have overcome the world! God teaches us to be attached to Him in every situation as a branch to the vine, like a baby to its mother, like Jesus himself is with his heavenly Father: "I and the Father are one." God tells us: "Call me and I will answer," Jesus said: "Seek and ye shall find, knock and it shall be opened, ask and it shall be given!"

We must establish that certitude in our hearts: God is with us, does not leave us and not abandon us. Someone has noticed that in the Bible is written 365 times the phrase: Fear not, once for each day the scripture confirms that God is near. Prayer is our entrancy to the presence of our good father who just want to talk to us and give a meaning to our lives.

## Francesco Basile

In my life I have had many difficult and hard times to overcome, but in my God, I have always found support and a hope. Even when I was alone in life, sometimes even abandoned by people, I felt Him more close to me, then ever.

My God, the God of whom I am talking about is close to his children, is present in their lives, God is real - FEAR NOT! I used to not believe in God, but now I believe with all my being. I had been taught to pray with my lips, but now I pray with my heart. God has been always faithful in every circumstance of my life, and through prayer I have always seen his loyalty. Similarly He will be faithful to you! The scripture says: If we are unfaithful he remains faithful. 365 days a year faithful, 365 times - NOT FEAR.

In this great life we have, God will be with us. Let's be prepare to serve God in a better way then ever before. Let's all of us commit ourselves for more consistency in our daily lives.

One of the biggest challenges that every believer is facing every day is to submit his life to the word of God and prayer. Our flesh, our old nature does not want this, nor the enemy of our souls. But it is in the combination of these two spiritual ingredients derived directly from God that we will find the strength to face every situation of life and to win in the name of Jesus! That's the way God has taught me to do and that is how I have always found victory in him. Likewise is true for every believer, for every person who calls and wait on him with all his heart.

My God, who among other things is the same God of whom you've probably heard about for years but unfortunately you have not experienced personally, is the only one able to fill with joy the most remote and hidden part of your life. In fact, for God we have a great value, you have a great value. Only if you call on the name of Jesus with a prayer that comes from the heart, you will find Him and He will find you. Guaranteed.
